A public hearing will be held to consider the Franklin County Water District Sphere of Influence Amendment - LAFCO File No. 1050D on Wednesday, **May 17, 2016**, at **9:00 am**, or as soon thereafter as may be heard, in the Merced County Administration Building, Board Room, Third Floor, located at 2222 "M" Street, Merced, CA, at which time and place any interested person or agency present wishing to speak or to submit written testimony will be given an opportunity to be heard and considered.

The proposal involves the expansion of the District's sphere of influence by approximately 43.7 acres in order to annex the property into the District to provide sanitary sewer service to a private K-12 school campus.

The sphere expansion territory is contiguous to the existing sphere of influence boundary for the district along the south side, approximately 175 feet north of Dan Ward Road and 1,100 feet west of Beachwood Drive.
