DATE: May 18, 2019 (Agenda)  
TO: LAFCO Commissioners  
FROM: Bill Nicholson, <sup>BN</sup> Executive Officer  
RE: Election of Commission Chairperson and Vice Chairperson  
(Agenda Item VII. C.)

Our local Merced LAFCO procedures call for the selection of Chairperson and Vice Chairperson at the May meeting of the Commission each year, which is when the term of commissioners typically begins. The terms are for one year, and the only other stipulation is that the two officers should not be selected from the same category of representation on the Commission. The three categories of representation are city, county and public member.

Chairman McDaniel and Vice Chair Samra were both appointed at the July 18, 2018 Commission meeting (due to a lack of a full Commission at the May meeting). For Commission information, Chairman McDaniel was promoted from Vice Chair to Chairman in 2018, and Vice Chair Samra was appointed at the same meeting.

**Action Requested**

Accept nominations for the Chairperson and Vice-Chairperson positions, and vote on their respective appointment for one-year terms extending to May 2020.
